

# NOLIN 75

## Description

The irregular weave structure combined with the special colouring method of the fabric lends it a quirky character. Made from recycled PET plastic and it is flame retardant.

## Specifications

|                          |                                                                       |
